

Inspection Procedure by Appropriate Authority for felling trees (prior to commencement of construction activities)

- On receipt of Application, DFO will forward the application to the concerned FRO.
- FRO will verify the location and extent of Patta land/Government allocated land, tree growth, distance from the nearest Reserve Forest etc.
- The FRO will get 100% enumeration of trees proposed to be felled checked through concerned or any other Forest Section Officer.
- FRO will test 10% of the trees listed in the Enumeration list on random basis covering the entire area, if the area is less than 2Ha. However, if the proposed area is more than 2Ha, the Sub-Divisional Forest Officer/Divisional Forest Officer will also carry out the test check of 10% of the trees in the Enumeration list, in addition to test check done by the FRO.
- In land proposed for industry, if no yield of timber is expected, and by and large only firewood/ root wood is expected, the applicant shall lay Sample Plots of 10 M * 10M size for every 1 acre (0.4 Ha) of land and arrive at the yield of firewood as well as faggot / root wood as the case may be. Such wood should be stacked in regular shaped stacks for arriving at accurate yield figures; these should not be heaped irregularly. All the Sample Plots and extracted produce shall be 100% test checked by Forest Section Officer and 20% by the FRO.
- After verification/test check of the Enumeration list & the produce as detailed above, the FRO will submit the Inspection Report along with Enumeration List and estimate of yield of Forest Produce (timber and Fire/faggot/root wood) species wise including Bamboo, if any, to the Divisional Forest Officer/Designated Officer in Annexure-V
- Inspection Report of the FRO in the prescribed Annexure-V shall be submitted to the Divisional Forest Officer concerned online within (24) hours of the inspection and scanned copy of inspection report shall be sent to the applicant on his registered email address apart from SMS alert.
- All the expenses towards marking, enumeration, extraction, stacking etc. will be borne by the applicant

- On receipt of the Inspection Report of the tree enumeration list online in Annexure-V from the FRO, the Divisional Forest Officer/Designated Officer will accord Tree Felling Permission.
